CONCEPT®

TIKKINA®

With 300 lumens of brightness and uniform, comfortable lighting, the TIKKINA® headlamp lights up your evenings under the stars! It's just as good for reading in your tent as it is for getting around the campsite or hiking. It's easy to use, with a single button and a symmetrical headband for adjusting the size. Compact and lightweight, it slides easily into your pocket or a backpack, so you can take it with you anywhere. TIKKINA® comes with 3 standard batteries and is also compatible with the CORE rechargeable battery, thanks to its HYBRID CONCEPT design.

Wide, uniform beam so you can comfortably see up-close or at your feet.

The plate allows you to easily orient the lamp in desired direction.

HYBRID CONCEPT design: TIKKINA® comes with 3 standard batteries and is also compatible with the CORE rechargeable battery. The headlamp automatically detects the energy source and adjusts lighting performance.

Short Description Compact, easy-to-use headlamp. 300 lumens

Selling Points

- Compact and lightweight: only 92 g
- Homogeneous and comfortable proximity lighting:
 - Wide, uniform beam so you can comfortably see up-close or at your feet
 - Three lighting levels: MAX BURN TIME, STANDARD (better power/burn time balance) and MAX POWER
- Easy to use:
 - Single button for quick and easy lighting level selection
 - Plate allows you to easily orient the lamp in desired direction
 - Detachable, washable headband that is symmetrical for easy adjustment
 - HYBRID CONCEPT design: TIKKINA® comes with 3 AAA/LR03 batteries and is also compatible with the CORE rechargeable battery (not included); it automatically detects the energy source and adjusts lighting performance
 - Compatible with the HELMET ADAPT and BIKE ADAPT 2 mounts, so you can fix the lamp on a variety of helmet types or a bicycle (1)

(1) WARNING: This lamp is not certified for road use: when used in an area governed by traffic regulations, Petzl lights are not a substitute for required standardized lights.
